

## Issues

| #    | Project  | Tracker | Status      | Priority | Subject  | Assignee       | Updated             |
|------|----------|---------|-------------|----------|--|----------------|---------------------|
| 4218 | Mentat   | Feature | Waiting     | Normal   | Hawat: Improve system status view module   |                | 05/30/2023 10:52 AM |
| 7681 | Mentat   | Bug     | Feedback    | Normal   | There are no detectors on Hub  |                | 11/14/2023 03:36 PM |
| 6332 | Mentat   | Feature | Feedback    | Normal   | Improve searching with caching and JavaScript  | Jakub Malošík  | 06/29/2023 04:31 PM |
| 6256 | Mentat   | Feature | Feedback    | Normal   | Review possibilities of support of timeline calculation on db  | Pavel Kácha    | 06/29/2023 04:31 PM |
| 7726 | Mentat   | Bug     | Resolved    | Normal   | Import Casablanca network as an externally updated feed  | Rajmund Hruška | 04/19/2024 10:45 PM |
| 7725 | Mentat   | Feature | Resolved    | Normal   | Import Metacentrum networks as an externally updated feed  | Rajmund Hruška | 04/22/2024 01:18 PM |
| 7703 | Mentat   | Feature | Resolved    | Low      | Get rid of hosts module  | Jakub Malošík  | 04/05/2024 04:01 PM |
| 7700 | Mentat   | Bug     | Resolved    | Normal   | When accessing event search by event-class using context search, search form is not able to be rendered for unauthorized users | Jakub Judiny   | 03/30/2024 07:27 PM |
| 7650 | Mentat   | Support | Resolved    | Normal   | Replace nvd3 Javascript library  | Jakub Malošík  | 04/05/2024 04:03 PM |
| 7635 | Warden   | Feature | Resolved    | Normal   | Expose clients via API   | Pavel Kácha    | 05/03/2023 02:49 PM |
| 7669 | Mentat   | Task    | Deferred    | Normal   | Optimize client rendering time   | Jakub Malošík  | 08/29/2023 12:53 PM |
| 7545 | Mentat   | Task    | Deferred    | Normal   | Review SQLAlchemy vs Flask-SQLAlchemy consolidation options  | Jakub Judiny   | 06/07/2023 04:02 PM |
| 7387 | Mentat   | Support | Deferred    | Normal   | Evaluate pg_repack as a way to shorten maintenance downtime on upgrade   | Radko Krkoš    | 12/19/2023 03:18 PM |
| 6251 | Mentat   | Config  | Deferred    | Normal   | Rethink the indices and planner cost optimizations in light of the current usage patterns                                      | Radko Krkoš    | 07/13/2022 09:57 AM |
| 393  | BEESIP   | Task    | In Progress | Normal   | Improve wiki page  | Jiří Šlachta   | 03/17/2013 01:54 PM |
| 390  | BEESIP   | Task    | In Progress | High     | Prepare yang module for BESIP  | Lukáš Macura   | 05/21/2012 12:03 AM |
| 7729 | Mentat   | Bug     | In Progress | Normal   | Description tab in timeline  | Jakub Malošík  | 04/22/2024 02:24 PM |
| 7724 | Mentat   | Bug     | In Progress | Normal   | Mentat-controller raises Exception when name is specified  | Jakub Malošík  | 04/12/2024 02:29 PM |
| 7692 | Mentat   | Feature | In Progress | Normal   | Better reporting   | Jakub Judiny   | 03/20/2024 10:02 PM |
| 7662 | Mentat   | Task    | In Progress | Normal   | Update system dependencies   | Rajmund Hruška | 03/12/2024 03:14 PM |
| 7619 | Mentat   | Bug     | In Progress | Normal   | Flask Deprecation warnings   |                | 05/02/2023 12:47 PM |
| 7534 | Mentat   | Task    | In Progress | Normal   | Update underlying Debian systems from Buster to Bookworm   | Rajmund Hruška | 03/12/2024 03:13 PM |
| 7439 | Mentat   | Feature | In Progress | Normal   | Remove FileWhoisModule from whois service  | Rajmund Hruška | 04/13/2023 11:57 AM |
| 7200 | Mentat   | Bug     | In Progress | Low      | Reporting events after group name has changed  | Rajmund Hruška | 06/29/2023 04:26 PM |
| 456  | AC Login | Task    | New         | Normal   | Prozkoumat možnosti bezpečnějšího předávání breeze session   | Ivan Novakov   | 05/24/2012 07:05 AM |
| 455  | AC Login | Task    | New         | Normal   | Odstranit možnost nastavení target GET parametru   | Ivan Novakov   | 05/24/2012 07:02 AM |
| 499  | BEESIP   | Feature | New         | Normal   | Use Copy-On-Write filesystem support where applicable  | Lukáš Macura   | 06/15/2012 11:12 PM |
| 493  | BEESIP   | Task    | New         | Normal   | Resolve dependencies in prereq by clean way  | Jiří Šlachta   | 06/12/2012 10:25 PM |
| 487  | BEESIP   | Task    | New         | Normal   | Interconnect BESIP with accounting   |                | 06/10/2012 03:26 PM |
| 486  | BEESIP   | Task    | New         | Normal   | Add support of basic PBX functions for user  |                | 06/10/2012 03:23 PM |
| 180  | BEESIP   | Task    | New         | Normal   | Prepare lua extensions   | Lukáš Macura   | 03/24/2012 08:11 PM |

| #    | Project | Tracker | Status | Priority | Subject   | Assignee       | Updated             |
|------|---------|---------|--------|----------|---|----------------|---------------------|
| 7732 | Mentat  | Task    | New    | Normal   | Menu reorganisation and cleanup   |                | 04/11/2024 04:24 PM |
| 7731 | Mentat  | Bug     | New    | Normal   | Users should be able to edit only "manual" feed   |                | 04/11/2024 03:38 PM |
| 7730 | Mentat  | Feature | New    | Normal   | Allow to override Maintainers' emails by alias  | Rajmund Hruška | 04/11/2024 12:30 PM |
| 7728 | Mentat  | Bug     | New    | Normal   | Fulltext searchable Description   |                | 04/11/2024 11:23 AM |
| 7727 | Mentat  | Feature | New    | Normal   | Pivot table visualization   |                | 04/15/2024 01:38 PM |
| 7717 | Mentat  | Support | New    | Normal   | Add tests for more Hawat endpoints  |                | 03/19/2024 03:34 PM |
| 7716 | Mentat  | Bug     | New    | Normal   | In some cases, API returns html content   |                | 03/19/2024 01:23 PM |
| 7708 | Mentat  | Feature | New    | Normal   | Host info module  |                | 02/27/2024 03:02 PM |
| 7707 | Mentat  | Feature | New    | Normal   | All fields in search form should have negations   |                | 02/22/2024 12:44 PM |
| 7706 | Mentat  | Feature | New    | Normal   | Users should be able to choose which information about events should be displayed in the event search                             |                | 02/22/2024 12:49 PM |
| 7705 | Mentat  | Feature | New    | Normal   | Event search should support "any value" and "without value" for abuse group   |                | 02/22/2024 12:47 PM |
| 7702 | Mentat  | Feature | New    | Normal   | CSAG should keep query parameters from form   |                | 02/26/2024 12:54 PM |
| 7696 | Mentat  | Bug     | New    | Normal   | Scripts in bin folder are not located in any directory specified in \$PATH after installation                                     |                | 03/12/2024 03:15 PM |
| 7694 | Mentat  | Bug     | New    | Normal   | When showing timeline based on storage time restriction, only results with this storage time detected within last week are shown. |                | 11/23/2023 04:20 PM |
| 7691 | Mentat  | Feature | New    | Normal   | Allow for configurable company identity and personal data processing URL  |                | 11/06/2023 11:17 AM |
| 7689 | Mentat  | Task    | New    | Normal   | Node.js setup_XX.x installation script is deprecated  |                | 11/28/2023 03:58 PM |
| 7679 | Mentat  | Bug     | New    | Normal   | Disabled users are still able to use Mentat   |                | 09/19/2023 07:39 PM |
| 7655 | Mentat  | Bug     | New    | Normal   | mentat-backup doesn't delete old files  |                | 06/23/2023 12:14 PM |
| 7638 | Mentat  | Bug     | New    | Low      | mentat-statistician error after DST change  |                | 04/12/2023 01:45 PM |
| 7621 | Mentat  | Feature | New    | Normal   | Reporting of post-hoc events detected by FTAS (and other)   |                | 01/04/2023 01:56 PM |
| 7611 | Mentat  | Feature | New    | Normal   | Script for modification of postgresql.conf for only necessary changes   |                | 10/20/2022 05:28 PM |
| 7560 | Mentat  | Bug     | New    | Low      | Link to a specific tab is not respected   |                | 03/19/2024 06:14 PM |
| 7559 | Mentat  | Bug     | New    | Low      | Mentat import pipeline running after reboot while disabled  |                | 04/15/2024 04:55 PM |
| 7550 | Mentat  | Feature | New    | Low      | A way to load additional data for IPs in 'Show event' in bulk   |                | 04/15/2024 05:02 PM |
| 7538 | Mentat  | Bug     | New    | Normal   | Streamline documentation concerning VACUUM/CLUSTER/ANALYZE  | Radko Krkoš    | 06/29/2023 04:27 PM |
| 7241 | Mentat  | Bug     | New    | Normal   | Hawat fails with 500 on DB restart, Mentat (Storage) also breaks  |                | 04/15/2024 04:52 PM |
| 7221 | Mentat  | Feature | New    | Low      | Referential integrity for database arrays   | Radko Krkoš    | 07/22/2021 04:03 PM |
| 7216 | Mentat  | Feature | New    | Low      | International Domain Names support in Mentat  |                | 04/15/2021 12:33 PM |
| 7108 | Mentat  | Bug     | New    | Normal   | Hawat's babel.cfg is missing from deb installation  |                | 04/15/2024 04:41 PM |
| 6948 | Mentat  | Bug     | New    | Normal   | Pynspect might take advantage of some optimizations   | Radko Krkoš    | 03/14/2023 02:08 PM |
| 6929 | Mentat  | Feature | New    | Normal   | Reconsider Mentat command-line tools  |                | 03/09/2021 04:24 PM |
| 6928 | Mentat  | Feature | New    | Normal   | Reconsider Mentat process management  |                | 02/16/2021 05:30 PM |

| #    | Project | Tracker | Status | Priority | Subject   | Assignee       | Updated             |
|------|---------|---------|--------|----------|---|----------------|---------------------|
| 6861 | Mentat  | Bug     | New    | Low      | Double exception on incomplete authorisation information        | Rajmund Hruška | 01/13/2021 02:23 PM |
| 6802 | Mentat  | Feature | New    | Normal   | Split Mentat specific keys and enrichment keys namespaces       |                | 04/28/2023 03:20 PM |
| 4694 | Mentat  | Feature | New    | Normal   | More generic mechanism for time window pager                    |                | 04/28/2023 04:22 PM |
| 4693 | Mentat  | Feature | New    | Normal   | Implement support for saving custom queries                     |                | 04/28/2023 03:32 PM |
| 4494 | Mentat  | Task    | New    | Normal   | Redesign JS portion of the Hawat web interface                  |                | 03/19/2021 11:03 AM |
| 4447 | Mentat  | Feature | New    | Normal   | System status monitor should also report on warden-filer status |                | 03/22/2022 09:53 AM |
| 4386 | Mentat  | Feature | New    | Normal   | PGP signing of reports  |                | 05/19/2023 03:06 PM |
| 4273 | Mentat  | Feature | New    | Normal   | Consider/choose/implement different communication protocol      |                | 04/29/2020 06:03 PM |
| 4241 | Mentat  | Task    | New    | Normal   | Improve documentation for Mentat modules/daemons                |                | 03/09/2021 04:53 PM |
| 7634 | Warden  | Bug     | New    | Normal   | authorize method doesn't check all flags                        | Pavel Kácha    | 03/28/2023 03:44 PM |
| 4588 | Warden  | Task    | New    | Normal   | Drop support for X509Authenticator                              |                | 01/31/2019 04:12 PM |
| 4587 | Warden  | Task    | New    | Normal   | Drop support for Apache 2.2                                     |                | 01/31/2019 04:12 PM |
| 4579 | Warden  | Feature | New    | Normal   | Add support for CRL   | Pavel Kácha    | 01/21/2019 03:03 PM |
| 4577 | Warden  | Feature | New    | Normal   | Proxy support for Warden client                                 | Pavel Kácha    | 01/21/2019 02:41 PM |
